

Student of the month

Lincoln Bridger

Congratulations to Lincoln Bridger for being awarded student of the month for March.

Lincoln is a regular participant in our Junior Boxing classes with his brother, attending most classes during the week.

Lincoln has always been a dedicated student but in the last few months we have witnessed him being extra focussed and engaged in the classes. His dedication and positive attitude in class has seen him grow immensely.

Well done, Lincoln, keep up the good work!

Help get Michael to the USA

Our incredible Coach Michael has again been selected to lead the Australian Ninja Warrior Team at the UNAA World Finals in the USA in July.

Across the years, his coaching efforts and dedication has seen children and adults within the Australian team reach the top 10 in the UNAA, FINA and WNAG competitions

But in order to get him to the USA in July we need help from our amazing community! With your generous donations, we can cover Coach Michael's travel expenses and ensure he can guide our Australian team on the international stage.

All donations can be made via the [gofundme](#) page.
